The tuition fees are re-determined every year at the rate deemed appropriate by the Board of Trustees, taking into account the WPI/TPI rates.

If the tuition fee is paid in advance on the dates specified at the beginning of each academic year, a 10% discount is provided on the fee to be paid.

Tuition fees have been determined for the 2024-2025 Academic Year. For students enrolled in the Spring Semester of this academic year, the next fall semester payments will be taken according to the tuition fees determined for the other year.
