

EU Scholarship Program Opens Applications for the 2025–2026 Academic Year

Funded by the European Union and coordinated by **Ankara Hacı Bayram Veli University** in partnership with ten universities, the **EU Scholarship Program** has officially launched its application period for the 2025–2026 academic year.

Beyond financial support, the program provides students with **Turkish and English language courses, academic mentoring, social cohesion activities, as well as internship and employment opportunities** through İş Kur, aiming to promote access to higher education, enhance social inclusion, and support career development.

Program Scope and Previous Achievements

- In the 2023–2024 academic year, **3,236 students received scholarships**.
- In 2024–2025, the program supported **3,365 students with scholarships** and provided **language courses to 2,000 students**.
- All scholarship holders benefited from mentoring and social activities, and internship/employment opportunities were created through İş Kur.

Eligibility

The program is open to students enrolled in higher education in Türkiye who are:

- **Citizens of the Republic of Türkiye**
- **Beneficiaries of Temporary Protection (Syrians under TP)**
- **Beneficiaries of International Protection**

Applications are accepted from students in all provinces of Türkiye, studying at **associate, undergraduate, master's, and doctoral levels** in the following faculties and related fields:

- Engineering
- Economics and Administrative Sciences
- Business
- Design and Architecture
- Science
- Literature
- Education
- Law
- Languages
- Pharmacy
- Dentistry
- Medicine
- Communication

Scholarship Benefits

- **Undergraduate level:** €360 monthly scholarship or €500 tuition support
- **Master's and PhD level:** €540 monthly scholarship or €500 tuition support

Key Information

- No interviews, contract signing, or manual bank account opening are required for accepted applicants.
- Through an agreement with Ziraat Bank, student accounts are automatically opened for scholarship holders.
- In the previous academic year, almost all applicants with a GPA of **2.50 or higher** who submitted the required documents successfully received scholarships.
- For the 2025–2026 period, **over 5,000 scholarship slots** are available.

Application Deadline: November 1, 2025
