2) Use the section **comments** to inform us about any **special request** (for example if the student is interested in a study area not included in our agreement - in such a case, the approval of the nomination is not certain as it depends on the total number of requests)

3) Write in the relevant section the date by which you need to receive back the Learning Agreement signed by Unipd. In this way, we can prioritize the LA approval according to your deadline

4) Partners and students will receive an automated email after the nomination is received and another email containing student application instructions after the nomination is accepted.

Please note: *we will not check the nominations until mid-April*, so you and the student will receive the email confirming the ACCEPTANCE of the nomination as of May.
