

University of Foggia Opens Nominations for 2025-2026 Spring Semester Student Exchange

The University of Foggia has officially launched the nomination process for the 2025-2026 Spring (2nd) Semester student exchange mobility program.

Nominations must be submitted exclusively online through the designated Google Form. Submissions via email or ordinary mail will not be accepted. Nominations are to be completed by exchange coordinators, with the deadline for **Fall Semester / Full Year nominations set at 15 November 2025**.

The University highlights the importance of timely nominations, especially for students requiring a visa, as the application and acceptance process may take several weeks, while visa procedures generally require 2-3 months. Early nominations are therefore strongly encouraged.

All nominated students will receive an informative email including details about the Learning Agreement and other useful information prior to their arrival. To complete the acceptance process, the University must also receive the students' **Online Learning Agreements**. The final deadline for applications is **15 December 2025**.

Academic programs offered by the University of Foggia can be consulted here:
