About JAYPEEDIGITAL

Jaypeedigital is a comprehensive integrated online content platform for health care professionals, educators, researchers and students encompassing array of medical resource in the form of reference works, textbooks, videos and journals. The content is focused on three groups of health sciences: Medicine, Dentistry and Nursing.

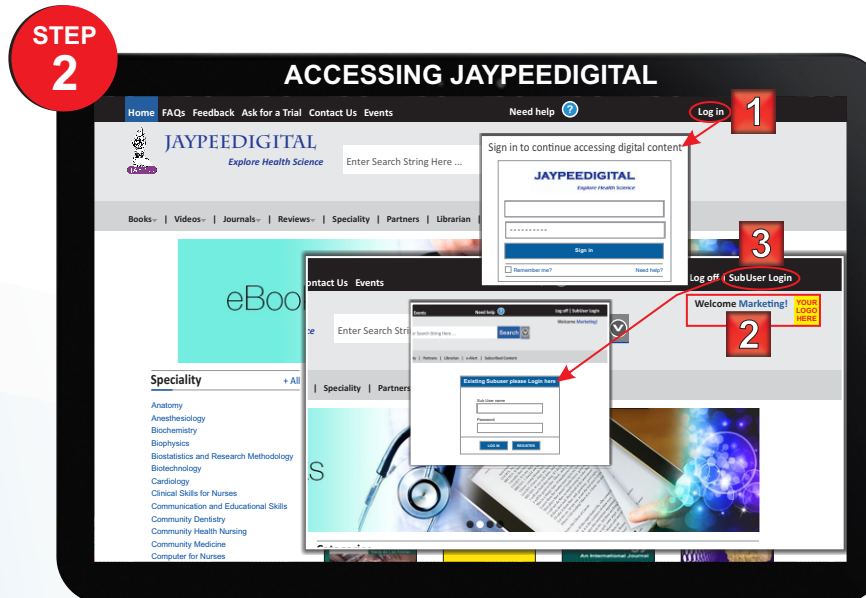

- 1 Login to get access to Jaypee content (Not required in case of IP authentication)
- 2 Main menu bar consisting of FAQs, Feedback form, Ask for a Trial, Contact Us and up coming Events details.
- 3 Search options and Medical Dictionary.
- 4 Different browsing options and Librarian page.
- 5 Browse by Specialty.
- 6 Browse by Categories.

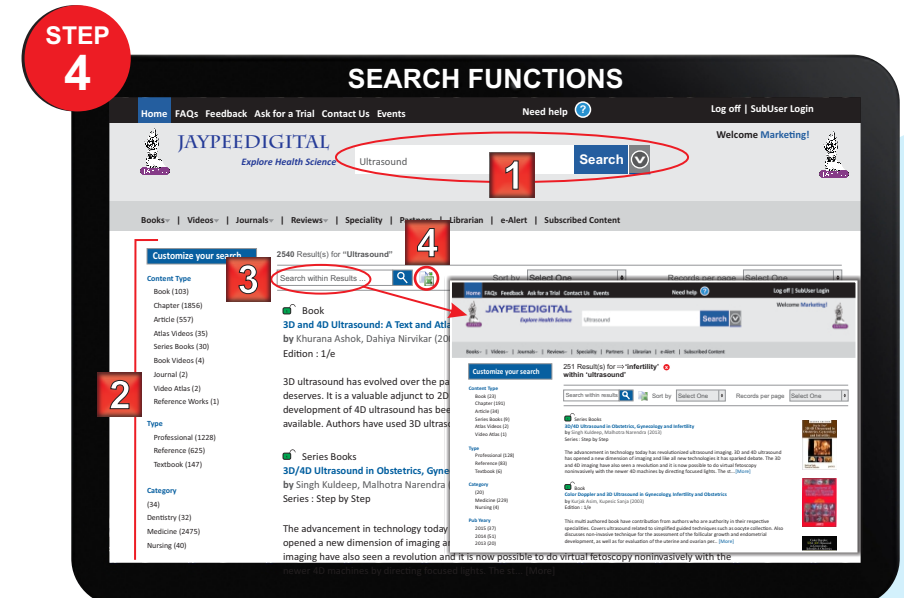

- 1 Speciality wise.
- 2 Category wise.
- 3 Browse for reviewed titles in Doodys and other international journals.

Remember to create subuser account for accessing personalized features like Bookmarks, My Notes, Exporting Search Results etc.

- 1 Login.
- 2 In case of IP authentication the system will recognize you automatically and your institute's Logo and name will appear or else login with the given user name and password.
- 3 Register for subuser login for accessing the personalized features of the portal.

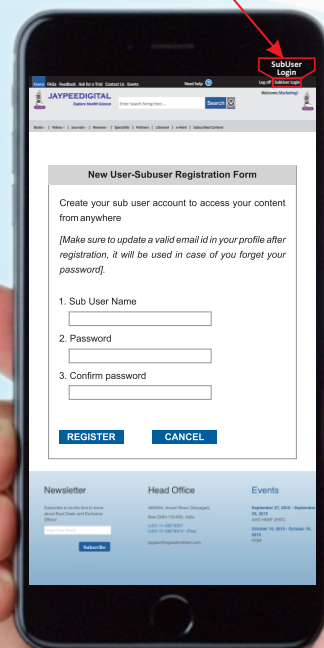

- 1 Quick search function within all content available on the basis of Title/ Keywords/ISBN/ISSN/Author Name/DOI. Enter the keyword in the "Enter Search String here" tab and click on the search button.
- 2 Filter your search result.
- 3 Search within the searched result.
- 4 Export search result in MS Excel.
