Award Commission and Duties

Article 4- The Supporting Committee for the Academic Publications of BVU consists of at least 5 members elected by the Rector, under the chairmanship of a Vice-Rector to be determined by the Rector and among faculty members and institutes affiliated to the BVU. The Commission chooses a member from among themselves as vice-president. The rapporteur of the Commission is made by the secretariat of the AYDK Commission.

Article 5. The lecturers and researchers who are in charge of the BVU submit their published publications to the Secretariat of the Academic Publications Support Committee for the incentive award together with the "Declaration Form" until the end of the first working day of the following periods.

The Commission for Supporting Academic Publications (AYDK) examines publications that have been collected for four months (March, June, September, December) and at the latest by the end of the relevant month and delivered to the Research Center Office of the Rector's Office in terms of compliance with the directive, decides and submits the decision to the Rector's office. The "Declaration Form" is prepared by the AYDK taking this directive into consideration and sent as an example to various units of the university.

Prize Amounts and Payment Principles

According to Article 5 of Annex 1 and Annex 2 table, the monetary amount of the award will be given per publication, Turkey Addressing described by TUBITAK each year is calculated based on the coefficient of International Scientific Publications Incentive Program.

Article 6- The results of the seminars evaluated by the Supporting Committee for Academic Publications are announced to the faculty members and their assistants at the end of March, June, September and December each year and the awards are distributed to the beneficiaries.

Payment Basis

Article 7 - In order to be awarded a prize due to the publication which is included in the scope of Article 3 of a teaching staff and researcher, it is necessary that the works which are essential for this publication have been made in BVU and the address of BVU (BEZMIALEM Vakif University) should be given.

Article 8- The year of publication of an international publication shall be rewarded. When an application for an article published in the previous year is submitted, this publication will be rewarded with the amount of the prize of the year in which the publication is made if the publication is in compliance. Older publications are not evaluated.

Article 9- In more than one type of publication, the amount of the prize is divided among the authors according to the percentages in the following table (Annex 1). However, the amount of the prize that falls on the shares of authors who are not in the BVU is not paid to them. These prizes remain on the University Budget. Prizes not awarded within a year are deemed to be left to the University.
